

**IN THE DRAWINGS:**

Submitted herewith are two replacement sheets of drawings, which include changes to Fig. 2 and a new Fig. 5. The replacement sheet including Fig. 2 replaces the replacement sheet including Fig. 2 submitted on April 3, 2009. In Fig. 2, references numerals 38' and 38'' are hereby added indicating a steam-heatable roller 38' and a water-heatable roller 38''. Reference numeral 44' is hereby added depicting a microwave source 44'. New Fig. 5 is hereby submitted and includes an infrared red source 44''. Support for new Fig. 5 may be found in the specification at paragraph [0021] and in the original claims. No new matter has been entered.
